

COURREGES – WOMEN'S SIZE GUIDE

Size, fit and measurements may vary from one style to another, which means there might be slight differences in items fit.

How to measure

1. Chest

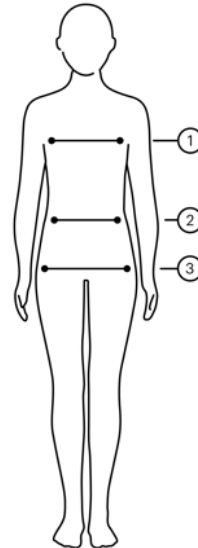

Your chest is measured at the widest point of your chest and shoulder blades with your arms hanging by your sides.

2. Waist

Your waist is measured at the narrowest part of the waist.

3. Hips

Your hips have to be measured at the widest point.

Body measurements

The measurements refer to the circumference.
